Dear Friends,

What a year! I am excited to share with you all that your support has helped us to accomplish, and the difference that we've made together. Reflecting back on these 12 months, I am struck by the bright, inspiring theme of hope that weaves its way through each of our accomplishments.

Hope as an antidote to injustice. Hope as redemptive. Hope as a superpower that enables us to see beauty and solutions where others don't think they can exist.

That hope, coupled with hard work, determination and passion made it possible for us to reach over 10,000 animals this past year. That is more than any prior year.

That hope, underpinned by innovation and dedication, enabled us to amplify our efforts where they were most needed.

That hope, sustained by your shared commitment to our mission and the talent of amazing staff, volunteers, board members, and community partners, enabled us to reach the most at-risk animals on both sides of the border.

We remain fueled and driven by that hope as we look forward to many more years of growing, dreaming, and bringing about real change together.

With Deep Gratitude,

Christi Camblor, DVM

Compassion Without Borders Co-founder & Co-Executive

PROGRAM HIGHLIGHTS

Hope in Motion

Homeless Animal Safety Net

This past year we saw an exceedingly high number of medical cases in our shelters on both sides of the border. Our veterinary teams cared for and rehabilitated hundreds of animals. Our in-house veterinary expertise enables us to provide this specialized service to the most at-risk animals in the communities we serve. Animals like Rocky, who came to us in dire shape. After several surgeries and months of rehabilitation, Rocky is now thriving and living in a loving home.

Lifesaving Partnership

Our cat rescue transfer program saved more lives than any year before. Homeless cats are taken in and provided with medical care at our clinic and shelter in Mexico, before being transferred to our rescue partners at HALO in Phoenix, where they are adopted out into loving homes. This lifesaving partnership saved 96 lives this past year!

New clinic

Home for Hope Launches

This past year, we initiated a massive lifesaving effort to build our dream facility in Mexico. This new shelter and medical center will truly be a home for hope, enabling us to heal homeless animals on a much larger scale and to expand our efforts to address the root causes of animal homelessness through spay/neuter and access to care. We were able to purchase the land and begin a capital campaign, putting things in motion for this lifesaving endeavor!

Access to Care

Our veterinary programs provided free and low-cost access to veterinary care to 9,770 animals. These services were carried out through our brick and mortar free clinic in Mexico, along with a mobile veterinary clinic in the U.S. This care, which is targeted toward underserved and under-resourced communities, is instrumental in getting to the root issues causes of animal suffering and overpopulation by keeping animals healthy and in the homes with the families who love them.

SASHA

Beautiful Sasha came to us with a very sad history of having been drug behind a car. Her wounds were extensive. However, after several months of daily bandaging and veterinary care, she made a full recovery and ultimately was adopted out into a loving home. Her resilience, both physically and emotionally, was truly exceptional.

DONNY

This darling fellow arrived in our care with a severe head tilt and heart-worm disease. Despite his ailments, he never seemed to feel sorry for himself and had a charming, sweet disposition from the get go. Donny went out into foster care while he received several months of veterinary treatments for his conditions. He ultimately went on to get a clean bill of health before finding a fabulous home.

PUMPKIN

Sweet Pumpkin arrived as a very thin, scared pup, covered in mange and skin infections. She was found on an abandoned property and was so frightened she had to be caught in a dog trap. Pumpkin blossomed very quickly after arriving at our shelter, coming out of her shell and responding well to medical care and steady nutrition. She went on to fully recover a beautiful coat of red hair and found herself a fabulous home with a family who has another incredible CWOB alumni dog from Mexico.

Charly Before

CHARLY BUTAS

This handsome boy was found at the border, where he was living on the streets outside of the customs office. He arrived in very poor condition; suffering from four different types of infectious diseases and a bad case of pneumonia. His condition was quite critical for some time, but with around the clock veterinary care and time he slowly began to recover. Fast forward to today and he is now a healthy, thriving, strapping young man who was adopted out into a home where he is truly living his best life.

KIARA

Kiara was found on the streets of Mexico after having been run over by a car and losing both legs. Despite this, she had an undeniably bright spirit, happy go lucky nature, and a spark for life that was impossible not to be inspired by. Kiara underwent several surgeries, spent time with a few different loving foster families, and was doted upon by loving staff before ultimately finding an incredible home with adopters who tend to her special needs and who recognize what a special soul she is.

IMPACT FINANCIALS 2021

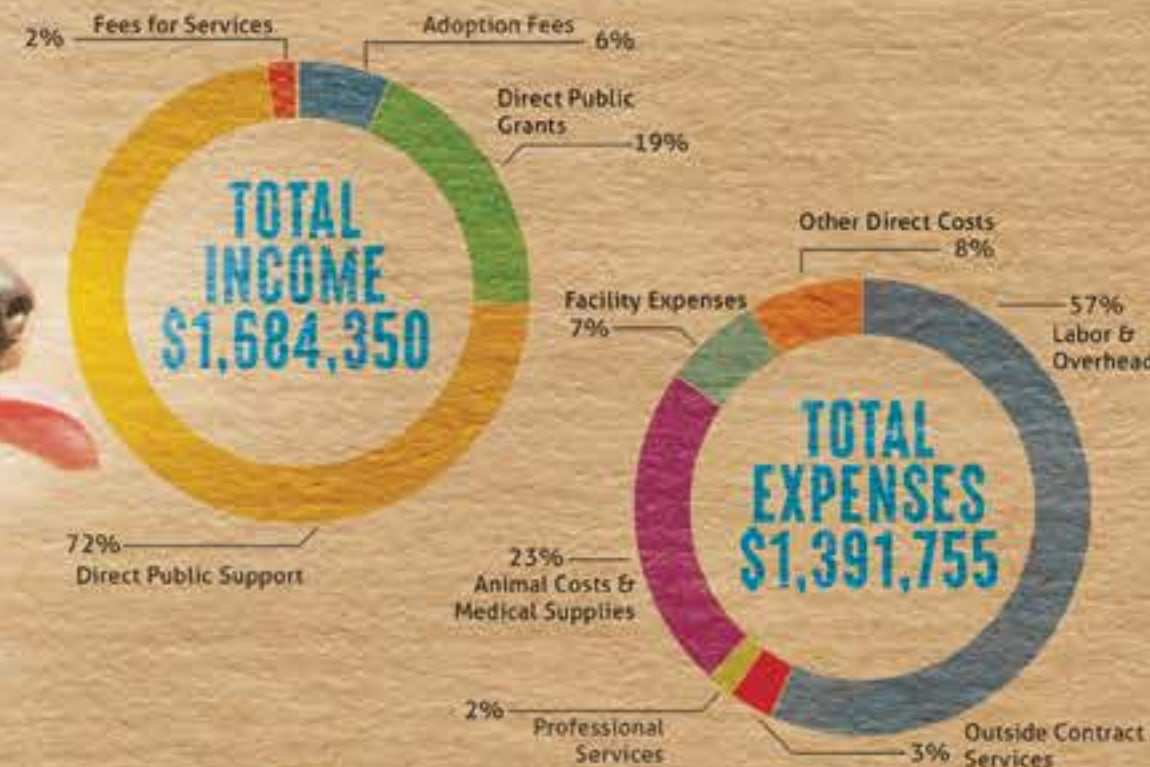

10,617 ANIMALS HELPED

9,770 ANIMALS PROVIDED WITH ACCESS TO VETERINARY CARE AND SPAY/NEUTER

Our free veterinary and spay/neuter clinic in Mexico, along with our low-cost community veterinary and spay/neuter clinics in the U.S., provided access to care to 9,770 animals living in under-resourced, underserved communities.

847 ANIMALS RESCUED, REHABILITATED, AND ADOPTED INTO LOVING HOMES

We rescued 847 homeless animals from Mexico and overcrowded shelters in California, caring for and healing them before adopting them into loving homes.
